

### **Sec. 1. STUDENT TESTING REQUIREMENTS**

All Positive Solutions Charter School students receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code, Chapter 39, Subchapter B.

*19 TAC 101.5(a).*

Unless exempted by applicable law, a student may not receive a high school diploma until the student has performed satisfactorily on applicable end-of-course (“EOC”) assessment instruments.

*Education Code 39.025(a); 19 TAC 101.4001.*

### **Sec. 2. ENGLISH LEARNER STUDENTS**

In grades 3–12, English learner<sup>1</sup> students shall participate in the state assessment in accordance with the Commissioner of Education’s (“Commissioner”) rules at 19 TAC Chapter 101, Subchapter AA.

*Education Code 39.023(l), (m).*

### **Sec. 3. SPECIAL EDUCATION**

The student’s admission, review and dismissal (“ARD”) committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

*Education Code 39.025(a-4).*

### **Sec. 4. MILITARY DEPENDENTS**

If a student is a military dependent, Positive Solutions Charter School shall accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated for a military dependent transferring in his or her senior year, then the provisions of Education Code 162.002 art. VII, Section C shall apply.

---

<sup>1</sup> In this policy, the term “English learner” is synonymous with “emergent bilingual” student, as that term is used in Subchapter B, Chapter 29, Education Code.

**a) *Substitute Passing Standard***

A substitute passing standard adopted by the Commissioner may be applied only for a qualified military dependent who enrolls in a Texas public school in this state for the first time after completing the ninth grade or who reenrolls in a Texas public school at or above the tenth grade level after an absence of at least two years from Texas public schools. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student’s high school enrollment, regardless of any subsequent revision of the standard.

*Education Code 162.002 art. VII, §§ B–C.*

**Sec. 5. ADMINISTRATION OF ASSESSMENTS**

Positive Solutions Charter School shall follow the test administration procedures established by the Texas Education Agency (“TEA”) in the applicable test administration materials. The Superintendent shall be responsible for administering tests.

*19 TAC 101.25, 101.27.*

Beginning no later than the 2022-2023 school year, each assessment instrument required under Education Code 39.023(a), (c), or (l) must be administered electronically, unless otherwise provided by commissioner rule.

*Education Code 39.0234.*

**a) *Assessment Schedule***

The Commissioner shall specify the schedule for testing and field testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs. The Commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

*19 TAC 101.25.*

**b) *Alternate Test Dates***

Positive Solutions Charter School or a campus may request from the Commissioner an alternate test date. Alternate test dates will only be allowed if Positive Solutions Charter School or campus is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect Positive Solutions Charter School’s or campus’ ability to administer

an assessment or the students' performance on an assessment. "Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause Positive Solutions Charter School or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the Commissioner may prohibit Positive Solutions Charter School or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of Positive Solutions Charter School, campus, and students.

*19 TAC 101.5003.*

#### **Sec. 6. NOTICE TO STUDENTS AND PARENTS**

The Superintendent shall be responsible for providing written notice to each student and the student's parent or guardian of the testing requirements for graduation and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's seventh-grade year. The Superintendent shall also provide such notice for students in grades 7–12 who are new to Positive Solutions Charter School. Notice of the dates, times, and locations of testing shall be provided to each student who will take the tests and to out-of-school individuals.

*19 TAC 101.3012(a).*

#### **Sec. 7. ASSESSMENTS IN GRADES 3–8**

5. Science in grades 5 and 8; and
6. Any other subject and grade required by federal law.

*Education Code 39.023(a).*

**a) Exception**

Except as required for purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is receiving instruction in the entire curriculum for that subject.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument above the student's grade level.

*Education Code 28.0211(p), 39.023(a-2); 19 TAC 101.3011.*

**b) Kindergarten Assessment**

A kindergarten student may not be administered an assessment instrument under Education Code 39.023 except to determine whether the student is entitled to the benefit of the Foundation School Program.

*Education Code 39.023(a-16).*

**c) Prekindergarten Assessment**

A prekindergarten student's performance on an assessment instrument may not be considered for any purpose related to Education Code Chapters 39 and 39A.

*Education Code 39.027.*

**d) Assessment Accommodations**

Assessment accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible accommodations shall be described in the appropriate test administration materials.

The committee established to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student. For a student receiving special education services, the ARD committee shall determine the allowable accommodations and shall document them in the student’s Individualized Education Program (“IEP”).

*19 TAC 101.3013; Education Code 39.023(a)-(c), (n); 34 CFR 300.320(a)(6).*

*19 TAC 101.3021(a).*

### **a) *Students Enrolled Below High School Level***

A student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student’s assessment graduation requirements, as specified in 19 TAC 101.3022.

*19 TAC 101.3021(d).*

### **b) *Assessment Requirements for Graduation***

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

#### **i. *Exceptions: English I or English II***

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course’s assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to English learners who meet the criteria in 19 TAC 101.1007.

ii. *Exceptions: Credits Earned Prior to Enrollment*

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school and the credit has been accepted by a Texas public school, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011–2012 spring administration, the student is not required to take the corresponding EOC assessment.

19 TAC 101.3021(e), .3022.

c) *Substitute Assessments*

A student may use certain assessments as substitute assessments in place of an EOC assessment, to meet the student’s assessment graduation requirements in accordance with the Commissioner’s chart at 19 TAC 101.4002(b). An approved substitute assessment may be used in place of only one specific EOC assessment.

A student is eligible to use a substitute assessment if the student meets all eligibility criteria listed in 19 TAC 101.4002(c)-(d).

A student electing to substitute an assessment for graduation purposes must still take the required EOC assessment if the student does not meet the eligibility requirements above.

A student who fails to perform satisfactorily on the PSAT or the ACT-PLAN as indicated in the chart at 19 TAC 101.4002(b) must take the appropriate EOC assessment to meet the assessment graduation requirements for that subject.

i. *Verification of Results*

An eligible student is responsible for providing Positive Solutions Charter School an official copy of the student’s scores from the substitute assessment. Upon receipt of official results of an approved substitute assessment, Positive Solutions Charter School must:

1. Verify the student’s score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the Commissioner.

d) *Satisfactory Performance*

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the Commissioner, on each EOC assessment instrument administered to the student.

*Education Code 28.0258, 39.025(a-2).*

**f) Special Education**

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 TAC 89.1070 (Graduation Requirements) and 19 TAC 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate.

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to retake and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above.

*19 TAC 101.3022(f).*

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a Texas high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

All students in grades 9–12 with significant cognitive disabilities who are assessed with an alternate assessment as specified in the student's IEP will be assessed using alternate versions of EOC assessments as listed in 19 TAC 101.3011(b)(2).

*19 TAC 101.3021(c).*

**h) *Retakes***

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. A student is not required to retake a course as a condition of retaking an EOC assessment instrument. If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

The TEA has adopted a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. Positive Solutions Charter School shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. Positive Solutions Charter School may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course.
